

Workshop: Revitalising and modernising the small retail sector

Published on: 29/01/2019

This workshop provides the opportunity for local authorities to learn about the European Commission's 'Guide for revitalising and modernising the small retail sector'.

Event date: 16/05/2019

Location: Bucharest, Romania

The workshops will give participants the chance to learn first-hand from towns and cities that have successfully implemented initiatives, and the challenges they overcame.

Participants will be able to pick up practical tips, to learn about sources of finance, and to network. This will enable them to prepare solutions or create a successful local retail strategy for their small retailers.

The workshop takes place from 9.00 - 14.00 (EET).
